# About Travel Rental Network

As official suppliers to IATA/IATAN certified agents, Travel Rental Network is dedicated to providing travel agents around the world with qualified vacation rentals run by homeowners and property management companies willing to work with them on commission. And with the most-detailed listings online, Travel Rental Network is an invaluable resource for any travel agent looking to make their client's dream vacation come true.

## The Most Travel Agent Friendly Vacation Rental Website

All of the homeowners and property managers on Travel Rental Network are willing to work with travel agents, meaning they are ready to pay a 10% commission. That alone would make us the most agent-friendly network online, but when coupled with the fact that we handpick our rentals and promote only qualified homeowners and managers that we have personal relationships with, it makes us an agent's very best friend in the vacation rental industry.

Have a special request for a client, or need help booking a rental? Is there an area we haven't covered yet where you would like a rental? Well, don't hesitate to phone us up, and one of our helpful staff will be sure to find a rental which meets your client's needs.

**All property owners and managers that work with Travel Rental Network are willing to pay 10% commission...**

# How Does It Work?

All of the owners who list their properties with Travel Rental Network are aware that we market heavily to travel agents, and they are ready and willing to pay you a commission when you rent their property to your customers.

## Here's how it works:

- ✔ Find a vacation rental for your customer on [TravelRentalNetwork.com](http://TravelRentalNetwork.com) and narrow down which ones they are interested in.
- ✔ Call the homeowners directly to confirm availability, details, and your commission. (Industry norm is 10%).
- ✔ Charge your customer the full rental price, then pay the homeowner the rental price minus your commission!

# Need More Reasons to Work with Us?

## **Qualified homeowners and managers**

Not only do we handpick our rentals, but we also make sure that the homeowner and property manager wants to work with you, has a rental history and will offer good customer service to your client. If we're given any indication otherwise, we don't allow them to list on our site.

## **No more wasted time**

It's hard enough finding a place that will make your client happy, let alone one that wants to offer you a 10% commission. Well, now you can find both in one easy-to-use location, so be sure to save the TRN listings that you like on your agency's servers for future reference.

## **Special Events**

Booking a destination wedding, or organizing a corporate retreat? Give us a call, and we'll point you to which homeowners are ready to work with you to make your client's event as unforgettable as possible.

## **Special Needs**

Need a wheelchair accessible beach house? How about a pet-friendly studio? Whatever the request, we have a property that will meet your client's needs, so give us a call and we'll be happy to give you a hand.

## **Personalized Email Updates**

Want to know every time we add a property in your favorite destination? No problem! Sign up for personalized email updates, and we'll be sure to let you know whenever we add new properties there. Like any good friend, we always keep you in the loop.
